S. R. No. 2, by Senator Kettering—Providing for the appointment of a member of the State Senate to attend the Interstate Conference of Legislators, and making an appropriation therefor.

Whereas, a meeting to be known as the Interstate Conference of Legislators has been called by the American Legislators' Association, to be held on Friday and Saturday, February 3 and 4, 1933, in Washington, D. C., at the Shoreham Hotel, to consider problems of conflicting taxation and to consider means for co-

operation between the States in dealing with each other and with the Federal Government in respect thereto; and

Whereas, it is apparent that substantial benefits would result to the citizens of all states from a closer contact between the various legislatures, particularly with respect to problems of taxation where the inability of the States to deal with the Federal Government in an orderly and co-operative manner has involved heavy burdens upon the taxpayer, the Federal Government, and each state; and

Whereas, the present economic emergency creates an imperative necessity for joint counsel and concerted action; and

Whereas, the Senate of this State is invited to send as its delegate to this conference one of its members—to be chosen in such manner as this body may determine; therefore,

(1) *Be it Resolved*, that the Senate of the State of Colorado hereby authorizes and instructs the President of the Senate to appoint one Senator as its delegate to the Interstate Conference of Legislators, to be held in Washington, D. C., on February 3 and 4, 1933, and that the President of the Senate be further empowered to designate a successor or alternate in case of the inability of the first named delegate to serve; such delegate or alternate shall be without power to commit the Senate to action without specific authority therefor; and be it further

(2) *Resolved*, that the said delegate or alternate is hereby authorized to draw upon the Governor's contingent fund for his reasonable expenses in attendance at the Interstate Conference of Legislators to an amount not exceeding Five Hundred Dollars (\$500.), which payment upon his order is hereby authorized; and be it further

(3) *Resolved*, that the secretary of the Senate immediately advise the Corresponding Secretary of the Conference, in care of the American Legislators' Association, Drexel Avenue and Fifty-eighth Street, Chicago, Illinois, of the appointment of such delegate and alternate.

S. J. R. No. 6, by Senator Gilliam.

Whereas, the existing economic depression is one of large continuance over a vast interior area of the United States; and,

Whereas, said depression must continue indefinitely within those regions that are denied the most modern and complete access to the trade markets of the world; and,

Whereas, there is now before the Senate of the United States a proposal in the form of a treaty with the Dominion of Canada for ocean transportation from the shores of the Great Lakes out and into the Atlantic Ocean and beyond; and,

Whereas, such transportation would bring the vast consuming area of the Middle West, upon which Colorado largely depends for its markets and its transportation, into the circle of preferred trade areas that now enjoy low transportation cost benefits, thereby restoring it to a permanent place of equality in the economic structure of the nation:

Now, Therefore, Be it Resolved by the Senate, the House concurring, That the Twenty-ninth General Assembly of the State of Colorado does advise the Senators of the United States from this commonwealth that such Treaty should be ratified at once; and,

Further, Be it Resolved, That it likewise advises the Representatives in Congress from this commonwealth that enabling legislation following such ratification by the Senate of the United States should be enacted without delay, in order that Colorado and the entire mountain region and the nation at large may receive, at the earliest moment, the benefits assured thereunder.

Introduced January 18, 1933.

S. J. R. No. 7, by Senator Affolter.

Resolved, by the Senate, the House of Representatives concurring therein, that the Joint Rules of the Senate and House, and the Joint Convention Rules, as same appear in the printed compilation of Rules of the 28th General Assembly, be adopted as the Joint Rules and Joint Convention Rules of the 29th General Assembly.

S. J. R. No. 8, by Senator Affolter.

Whereas, Criticism of the administration of the Colorado Civil Service Commission has been widespread and constant over a considerable period of time and numerous rumors are afloat as to the actions of the Commission, which in the interest of the public service, and from the standpoint of the public should be either verified or set at rest; and,

Whereas, Without an investigation by the present General Assembly, the confidence of the public in the Civil Service Commission will remain dubious and appropriate measures and action that may now be taken, will be deferred until another Session of the Legislature.

Now, Therefore, Be it Resolved By the Senate of the Twenty-ninth General Assembly of the State of Colorado, the House concurring therein:

Section 1. That a committee of five, to be composed of two members of the Senate and three members of the House of Representatives, shall be appointed by the President of the Senate and the Speaker of the House of Representatives respectively, charged with the duty of making a thorough, detailed and complete investigation and examination of the administration of the Civil Service Commission of the State of Colorado, including its personnel and their actions and conduct during the period which any member of the present Commission has been in office, and thereafter said Committee shall make a report in writing to the Twenty-ninth General Assembly.

Section 2. That said Committee in connection with its said investigation shall have power and authority to hold hearings, to summon witnesses, to take testimony under oath (to be administered by the Chairman or any member of the Committee) to require the production of such records and documents as may in said Committee's judgment be deemed necessary, by subpoena duces tecum, or otherwise, with the same authority and power as courts of record in the hearing of causes.

Section 3. Said Committee shall also have power and authority to employ a reporter or reporters to take and subscribe testimony taken at such hearings, to employ the sergeant-at-arms of the Senate or House of Representatives to enforce all orders of said Committee, and to punish for contempt for violation of its said orders.

Section 4. Said Committee shall report the results of its investigation on or before February 15th, 1933.

House Resolutions

H. R. No. 1, by Representatives Vincent and LaFollette.

Whereas, Existing tax laws and tax rates constitute a crushing burden upon non-income-earning real and personal property, as well as upon low income-earning property, having in many instances the effect of confiscation for tax purposes, and threaten with bankruptcy many farmers, livestock growers, homeowners, and others whose properties and business produce small or no net earnings; and

Whereas, A more equitable system of taxation appears so indispensable to public and private security, that revision of tax laws constitutes a public question of the gravest importance;

Therefore Be it Resolved by the House of Representatives of the Twenty-ninth General Assembly, That the Supreme Court be and it is respectfully requested, pursuant to section 3 of Article VI. of the Constitution of the State of Colorado, to give this House its opinion upon the following question:

Has the General Assembly of the State of Colorado the power to enact a graduated income tax law?

Introduced January 16, 1933.

House Joint Resolutions

H. J. R. No. 1, by Representative Hirschfeld.

Whereas, The present economic conditions in Colorado have reduced employment and made it necessary for the best interests of our citizens that the means of earning a livelihood be spread to as many persons as possible; and

Whereas, It is reported that there are employed by the various state departments a number of women who because of the employment, business or financial worth of their husbands are not in need of the income derived from the state and would, without state employment, be adequately supported by their husbands; and

Whereas, Such state position is greatly needed by others now without employment and with families depending upon them for support, now, therefore, to the end that some reasonable and equitable correction of the situation may be determined upon;

Be it Resolved by the House of Representatives of the Twenty-ninth General Assembly of the State of Colorado, the Senate concurring therein, That a committee of five, to be composed of two members of the State Senate and three members of the House of Representatives shall be appointed by the President of the Senate and the Speaker of the House of Representatives, respectively, charged with the duty of surveying and studying the question of employment by the state as above set out; said committee to have full power to call before it all witnesses required to properly ascertain the facts;

That said committee conclude its investigation within a period of twenty days from the time of its appointment;

That said committee report its findings fully to both Houses of this Legislature and make such recommendations with reference to the employment of married women otherwise adequately supported as will be to the best interests of the State.

Introduced January 12, 1933.

H. J. R. No. 2, by Representatives Aspinall, Rogers and Smith.

Whereas, The Honorable William H. Adams has served the State of Colorado as a member of the House of Representatives and of the Senate of the State of Colorado and as Governor of the State of Colorado for a period of approximately fifty years; and

Whereas, When the Honorable William H. Adams became Governor of the State of Colorado, he caused the chair which he had so long occupied in the Senate Chamber to be transferred to the Governor's office and occupied the same for the three terms which he served in the Governor's office; and

Whereas, It would seem entirely unfitting for anyone to occupy the chair which he so long filled with honor and distinction;

Now, Therefore, Be it Resolved by the House of Representatives of the Twenty-ninth General Assembly of the State of Colorado, the Senate concurring therein, That the Board of Capitol Managers be respectfully requested to make a gift of the said chair to the Honorable William H. Adams as a slight token of the love and respect and esteem which the people of Colorado have for him.

Introduced January 16, 1933.

H. J. R. No. 3, by Representatives Woods and Constantine.

Be it Resolved, by the House of Representatives of the Twenty-ninth General Assembly of the State of Colorado, the Senate concurring therein:

Section 2. That said committee, in connection with its said audit investigation and examination, shall have power and authority to employ certified public accountants to make such audit, to hold hearings, to summon witnesses, to take testimony under oath (to be administered by the chairman or any member of said committee), to examine all such records and documents as may in said committee's judgment be deemed necessary by subpoena *duces tecum*, or otherwise, with the same authority and power as courts of record in the hearing of causes.

Section 3. Said committee shall have further power to employ a reporter to take and transcribe testimony taken at such hearings, to employ the sergeant-at-arms of the Senate or House

of Representatives, to enforce all orders of said committee, and to punish for contempt for violation of its said orders.

Section 4. The General Assembly shall provide for the payment of the expenses of said committee by including the necessary item or items in the General Appropriation Bill to be passed at this session of the General Assembly.

Introduced January 16, 1933.
